

**KUMHARAS LOUNGE IBIZA vol. 4**

The journey continues...

This new opus in the "KUMHARAS LOUNGE IBIZA" compilation series, mixed by Swann (ELEA), permanently establishes the place that has been its inspiration, the Kumharas Bar, among the great names in Balearic chill out today.

Imagine yourself on the water's edge in the cool of the evening, a caïpirina in front of you, between the sun setting in the Mediterranean and your half-closed eyes, relaxing with LENNY IBIZARRE, DEEP DIVE CORPORATION, OHM-G and THE MORPHOGENETIC; flying on a long-distance carrier toward India and the bewitching melodies of NITIN SAWHNEY ; then back to the Mediterranean with the mystical tones of the Corsican SIMON GUERRINI. A flight over the Big Blue takes you walking in the dunes of the Sahara with TOIRÈS vs NOMAD-BROTHERS and HYPNOTIZER. A little detour through

Jamaica with RAZOOF, and you are ready for take-off into the cosmic, psychedelic spheres of AES DANA, ELEA, CELL, THE ISLANDERS, and WAVES TOUR ON MIND ! Have a good trip...

DUB MAGAZINE IBIZA :

"This new chapter of Kumharas is a great mix of emotions, great music to do what we all like most : watch a sunset in a best spot possible, open your mind and let it go... a real must-have!"

Sumptuously smooth, this fourth volume of "KUMHARAS LOUNGE IBIZA" is in keeping with the ambient-ethnic tradition which characterises the island of Ibiza. To be savoured as a pure moment of restfulness and movement through space.
